

Operating Transfer Dock

The RailKing® Operating Transfer Dock is sure to add fun and authenticity to any layout with freight operation. With moving figures carrying freight loads and a loading ramp designed to work with M.T.H.'s operating box cars and reefers, this operating building really comes alive.

The transfer dock is easy to run and maintain when you follow these easy operating instructions.

PLEASE READ BEFORE USE AND SAVE
www.mthtrains.com

WIRING INSTRUCTIONS

Includes:

Transfer Dock Building

3 Red Wires

2 Black Wires

On/Off Switch

Wires from ports A and B control figure operation. Wires from ports C and D control lights. Strip Z-wire cable harness insulation to reveal 1/4" of bare wire and

Strip Z-wire cable harness insulation to reveal 1/4" of bare wire.

- A** Red wire to On/Off Switch, then from switch to transformer AC hot
- B** Black Wire to transformer ground
- C** Red Wire to transformer AC hot
- D** Black Wire to transformer ground

OPERATING INSTRUCTIONS

- Lights will illuminate whenever power source is turned on.
- When switch is turned on, figures will cycle continuously until you turn it off.

LIGHT BULB REPLACEMENT

Inside the building:

- Remove three screws holding the loading ramp onto the main building and remove ramp.

Remove Ramp Screws

- Remove six **un-recessed** screws from the base of the building. Be careful not to scratch paint as you lift the base away.
- Unplug two-pin connector from base.
- Reach into shell and remove two bayonet bulbs by twisting to remove. (If you cannot reach upper bulb, remove four deeply recessed screws (one in each corner) and remove roof to gain access).

LIGHT BULB REPLACEMENT

Beneath the Overhang:

- Remove shell from the base as described on page 3..
- Remove two screws holding the overhang to the building, unplug two-pin connector, and pull overhang away. (Remove windows in opposite wall if screwdriver is too long to fit).
- Remove curtain and remove and replace light bulb.

Overhang Screws

CAUTION: ELECTRIC TOY:

Not recommended for children under 14 years of age without adult supervision. As with all electric products, precautions should be observed during handling and use to prevent electric shock.

WARNING: When using electrical products, basic safety precautions should be observed, including the following:

Read this manual thoroughly before using this device.

M.T.H. recommends that all users and persons supervising use examine the hobby transformer and other electronic equipment periodically for conditions that may result in the risk of fire, electric shock, or injury to persons, such as damage to the primary cord, plug blades, housing, output jacks or other parts. In the event such conditions exist, the train set should not be used until properly repaired.

Do not operate your layout unattended. Obstructed accessories or stalled trains may overheat, resulting in damage to your layout.

This train set is intended for indoor use. Do not use if water is present. Serious injury or fatality may result.

Do not operate the hobby transformer with damaged cord, plug, switches, buttons or case.

Service & Warranty Information

How to Get Service Under the Terms of the Limited One-Year Warranty

When you suspect an item is defective, please check the operator's manual for standard operation and troubleshooting techniques that may correct the problem. Additional information may be found on the M.T.H. Website. Should you still require service, follow the instructions below to obtain warranty service.

First, e-mail, write, call or fax M.T.H. Electric Trains or a M.T.H. Authorized Service Center (ASC) in your area to obtain Repair Authorization. You can find the list of ASCs on the M.T.H. Website, www.mth-railking.com. Authorized Service Centers are required to make warranty repairs on items sold *only* from that store; all other repairs may-- or may not be done at the store's own discretion. If you did not purchase the item directly from the ASC, you will need to select a National Authorized Service Center (NASC) or contact M.T.H. Electric Trains directly. NASC Dealers are compensated by M.T.H. to perform warranty service for any customer whose repair qualifies for warranty service. A list of NASC retailers can be located on the M.T.H. Website or by calling 410-381-2580. Should the warranty no longer apply, you may choose either an ASC or NASC retailer to service your M.T.H. Product. A reasonable service fee will be charged.

CAUTION: Make sure the product is packed in its original factory packaging including its foam and plastic wrapping material to prevent damage to the merchandise. There is no need to return the entire set if only one of the components is in need of repair *unless otherwise instructed by the Service Center*. **The shipment must be prepaid and we recommend that it be insured. A cover letter including your name, address, daytime phone number, e-mail address (if available), Return Authorization number (if required by the service center, a copy of your sales receipt and a full description of the problem must be included to facilitate the repairs. Please include the description regardless of whether you discussed the problem with a service technician when contacting the Service Center for your Return Authorization.**

Please make sure you have followed the instructions carefully before returning any merchandise for service. Authorized M.T.H. Service Centers are independently owned and operated and are not agents or representatives of M.T.H. Electric Trains. M.T.H. assumes no responsibility, financial or otherwise, for material left in their possession, or work done, by privately owned M.T.H. Authorized Service Centers. If you need assistance at any time email MTH Service at service@mth-railking.com, or call 410 381-2580.

Limited One-Year Warranty

All M.T.H. products purchased from an Authorized M.T.H. Retailer are covered by this warranty. See our Website to identify an Authorized M.T.H. Retailer near you.

M.T.H. products are warrantied for one year from the date of purchase against defects in material or workmanship, excluding wear items such as light bulbs, pick-up rollers, batteries, smoke unit wicks, and traction tires. We will replace or credit (at our option) any defective item with a manufactured suggested retail price of \$279.95 or less (excluding all motive power and electronic items), if the item is returned to an M.T.H. Authorized Service Center (ASC) or M.T.H. National Authorized Service Center (NASC) within one year of the original date of purchase. For any item with an MSRP greater than \$279.95 (including all motive power and electronics), We will repair, replace or credit (at our option) the defective item without charge for the parts or labor, if the item is returned to an M.T.H. Authorized Service Center (ASC) or M.T.H. National Authorized Service Center (NASC) within one year of the original date of purchase. This warranty does not cover damages caused by improper care, handling, or use. Transportation costs incurred by the customer to ship the product for warranty service are not covered under this warranty.

Items sent for repair must be accompanied by a return authorization number, a description of the problem, and a copy of the original sales receipt from an Authorized M.T.H. Retailer stating the date of purchase. If you are sending this product to an Authorized Service Center, contact that Center for their return authorization.

This warranty gives you specific legal rights, and you may have other rights that vary from state to state. Specific questions regarding the warranty may be forwarded to M.T.H. directly
