

M.T.H.

ELECTRIC TRAINS.

7020 Columbia Gateway Drive
Columbia, MD 21046-1532

www.mth-railking.com

So many of you asked us for a platform that would let you use your operating milk car with RealTrax[®] that we decided to make an adaptable platform that would work with four popular kinds of track and retain the nostalgic tin plate look of the original platform. This platform is designed to work with RealTrax, ScaleTrax[™], Lionel[®] O-gauge track, or Lionel[®] O-27 operating track sections when you set it up as described.

Milk Platform

SELECTING & PLACING PLATFORM

Set Up

- If you are using Scale Trax or either kind of Lionel® track, use the narrower platform (labeled "A" on bottom); if you are using Real Trax, use the wider platform ("B").
- If you are using Scale Trax or O-27 track, slide the selected platform into the lower slots; if you are using Real Trax or Lionel® O-Gauge track, slide the selected platform into the upper slots.
- Once you have tested to ensure the height and width of the platform are correct for the track and car, bend the tabs on the back of the platform to hold it in place.

SERVICE & WARRANTY INFORMATION

How to Get Service Under the Terms of the Limited One-Year Warranty

For warranty repair, do not return your product to the place of purchase. Instead, follow the instructions below to obtain warranty service as our dealer network is not prepared to service the product under the terms of this warranty.

- First, e-mail, write, call or fax an Authorized M.T.H. Service Center in your area or M.T.H. Electric Trains to obtain Repair Authorization. You can find the list of Authorized Service Centers on the M.T.H. website, www.mth-railking.com. Otherwise, contact M.T.H. (at e-mail: service@mth-railking.com; 7020 Columbia Gateway Drive, Columbia, MD 21046; tel: 410-381-2580; fax: 410-423-0009), stating when the item was purchased and describing the problem. If you contact M.T.H., you will be given a return authorization number to assure that your merchandise will be properly handled upon its receipt.
- **CAUTION: Make sure the product is packed in its original factory packaging including its foam and plastic wrapping material so as to prevent damage to the merchandise. The shipment must be prepaid and we recommend that it be insured. A cover letter including your name, address, daytime phone number, e-mail address (if available), Return Authorization number, a copy of your sales receipt and a full description of the problem must be included to facilitate the repairs. Please include the description regardless of whether you discussed the problem with a service technician when contacting the Service Center or M.T.H. for your Return Authorization.**
- **Please make sure you have followed the instructions carefully before returning any merchandise for service.**

Limited One-Year Warranty

All M.T.H.® products purchased from an Authorized M.T.H. Train Merchant are covered by this warranty.

See our website at www.mth-railking.com or call 1.888.640.3700 to identify an Authorized M.T.H. Train Merchant near you.

M.T.H. products are warranted for one year from the date of purchase against defects in material or workmanship, excluding light bulbs and traction tires. We will repair or replace (at our option) the defective part without charge for the parts or labor, if the item is returned to an Authorized M.T.H. Service Center or M.T.H. Electric Trains within one year of the original date of purchase. This warranty does not cover damages caused by improper care, handling, or use. Transportation costs incurred by the customer are not covered under this warranty.

Items sent for repair must be accompanied by a return authorization number, a description of the problem, and a copy of the original sales receipt from an Authorized M.T.H. Train Merchant, which gives the date of purchase. If you are sending the item to M.T.H., call 410-381-2580, fax 410-423-0009, or e-mail the Service Department at service@mth-railking.com to obtain a return authorization number. If you are sending this product to an Authorized Service Center, contact that Center for their return authorization.

This warranty gives you specific legal rights, and you may have other rights that vary from state to state.
